

# PMP Learner Kit v3.2 – Main Screen

- The PMI Authorized PMP Exam Prep – Student course is the PMP Learner Kit.
- When a learner logins into their PMI account and clicks the “PMI Authorized MP Exam Prep” course from “My Courses” under their name they are presented with the following panels to click on.
- Note: When the learner selects the course to open, they may have to click “Resume” if they already accessed their course and are continuing with it.

The screenshot shows the main interface of the PMI Authorized PMP Exam Prep - Student course. At the top left is the PMI logo. At the top right are links to "Back to myPMI Library" and "Help & FAQs". The central heading is "PMI Authorized PMP Exam Prep - Student" with a welcome message: "Welcome Carl! Use the options below to access your resources." Below the heading are eight resource cards arranged in two rows of four:

Student Materials	Post-Class Survey	Course Overview	Certification FAQ
Spotlight Videos	Previous Version	Next Steps	PMI Events
Student Resources			

# PMP Learner Kit v3.2 – Student Materials Includes

- Student Workbook – A downloadable PDF that can be printed to add notes.
- Notes Handout – The slides used in the Bootcamp slide decks. The slides here are grouped by the six lessons. The Bootcamp slide decks are a mixture of slides from the six lessons.
